

INGENIOUS PROBIOTICS

# Lucaa+ HOUSING CLEANER

## PROBIOTIC CARE AND HYGIENE FOR PETS

### For Healthier and More Hygienic Living Environments

LUCAA+ Pet Stay Cleaner thoroughly cleans pet housing - including litter trays, cages, hutches and kennels - at a microbial level. This creates a more hygienic and safer environment for pets, including reptiles and birds.

LUCAA+ Pet Stay Cleaner is enriched with beneficial, probiotic 'good' bacteria, naturally sourced from plants. These helpful probiotics restore healthy microbial balance to the living environment.

They reduce the risk of infections by removing harmful, pathogenic bacteria. They improve allergy management by removing the bio-allergens that cause atopic allergies - including dust mite and pollen. They also eliminate root causes of unpleasant odours, including ammonia from urine. This means there is no need for chemical air fresheners to mask smells.

### Reduces Transmission of Animal Diseases to Humans

Pets often carry pathogens in their fur such as parasites, pathogenic bacteria, viruses, fungi and worm eggs. These pathogens can cause animal diseases that are transmissible to humans, called zoonotic diseases. Good pet hygiene protects owners too - especially those in poor health or with a compromised immune system, the elderly, pregnant women and children.

### INSTRUCTIONS

Remove visible dirt, nesting materials and bedding. Shake before use. Add 100 - 150ml of LUCAA+ Pet Stay Cleaner to 10 litres of hot water. Clean surfaces and rinse thoroughly and carefully with lukewarm water. Always follow safety instructions when using high pressure cleaning devices. For best results clean kennels, hutches, cages and other housing weekly.

### RECOMMENDATIONS

- Do not use with products that may change effectiveness.
- Do not swallow.
- Avoid contact with eyes.
- Store in a dry place 10°C - 35°C.
- Keep out of the reach of children.

### COMPOSITION

- Water
- Surfactants
- Plant-Based Probiotic Bacteria (Auto-Active Microorganisms)
- Odour Eliminator
- Emulsifier (Castor Oil)
- Lemon Aroma
- pH Stabiliser
- Dye

Concentrate  
- 1 litre, 5 litres

- ✓ **Inhibits harmful bacteria and bio-allergens.**
- ✓ **Eliminates root causes of pet odours.**
- ✓ **Eco-detergent with no harmful chemicals.**
