

DENAA+ PROBIOTIC FITNESS & WELLNESS CLEANING RANGE REVIEW

“We knew it was safer for clients as well as my new equipment. We also loved that it was so much better for the local environment too – AND cost effective. We understood how it kept on cleaning between applications and how it helps prevent odours. Also, the fact that it lasts so long makes it easier with ordering.

GEOFF HATT - CEO INFITNESS GYM

When opening his new gym in Upminster, Essex, Infitness Gym CEO Geoff Hatt already knew the best way to protect his investment from the damage many gyms experience with chemical-based cleaning products.

Geoff was already using the DENAA+ Fitness & Wellness probiotic-based cleaning range in his old gym, so knew he could rely on it to protect all his new equipment and flooring.
